Pursuant to Section 102 of the Companies Act, 2013 ('the Act'), the following Explanatory Statement sets out all material facts relating to the business mentioned under Item Nos. 5&6 of the accompanying 46th Annual General Meeting Notice.

ITEM NO. 5:

To re-appoint M/s. Nataraja Iyer & Co, Chartered Accountants as Statutory Auditors of the Company and to fix their remuneration. M/s. Nataraja Iyer & Co, Chartered Accountants, were appointed as Statutory Auditors of the Company at the 46th Annual General Meeting ('AGM') held on September 19th, 2022 for a period of 5 years, up to the conclusion of 51st AGM. M/s. Nataraja Iyer & Co are eligible for re-appointment for a further period of 5 years. M/s. Nataraja Iyer & Co have given their consent for their re-appointment as Statutory Auditors of the Company and has issued certificate confirming that their re-appointment, if made, will be within the limits prescribed under the provisions of Section 139 of the Companies Act, 2013 ('the Act') and the rules made thereunder. M/s. Nataraja Iyer & Co have confirmed that they are eligible for the proposed appointment under the Act, the Chartered Accountants Act, 1949 and the rules or regulations made thereunder. As confirmed to Audit Committee and stated in their report on financial statements, the Auditors have reported their independence from the Company and its subsidiary according to the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') and the ethical requirements relevant to audit. Based on the recommendations of the Audit Committee and the Board of Directors, it is hereby proposed to re-appoint of M/s. M/s. NATARAJA IYER & CO., Chartered Accountants, having registration No. FRN:002413S, as the Statutory Auditors of the Company for the second and final term of five consecutive years, who shall hold office from the conclusion of this 47th AGM till the conclusion of the 51st AGM of the Company to be held in the year 2027. The Board of Directors has approved a remuneration of Rs.4,00,000.00 for conducting the audit for the

financial year 2022-23, excluding applicable taxes and reimbursement of out-of-pocket expenses on actuals. The remuneration proposed to be paid to the Statutory Auditors during their second and final term would be in line with the existing remuneration and shall be commensurate with the services to be rendered by them during the said tenure. The Board of Directors in consultation with the Audit Committee may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

M/s Nataraja Iyer & Co is a chartered accountant firm registered with the ICAI. The firm has office in Hyderabad and catering to various clients in diverse sectors. The firm holds the 'Peer Review' certificate as issued by 'ICAI'. The Board recommends the resolution set out at Item No. 5 of the Notice for approval by the Members by way of an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are interested or concerned, financially or otherwise, in the resolution.

ITEM NO. 6:

In pursuance of Section 148 of the Companies Act, 2013 and Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the Company is required to appoint a Cost Auditor to audit the cost records of the applicable products of the Company.

On the recommendation of the Audit Committee at its meeting held on May 27 2022, the Board has, considered and approved the appointment of M/s. Jithendra Kumar & Co., Cost Accountants (Firm Registration No. 103347), Vijayawada as the Cost Auditor for the financial year 2022-23 for a remuneration of Rs.30,000/- per annum with all applicable taxes and reimbursement of out of pocket expenses.

M/s. Jithendra Kumar & Co., Cost Accountants have the necessary experience in the field of cost audit, and have submitted a certificate regarding their eligibility for appointment as Cost Auditors of the Company.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the Members of the Company. The Board commends the remuneration of Rs.30,000/- per annum with all applicable taxes and reimbursement of out of pocket expenses to M/s. Jithendra Kumar & Co. as the Cost Auditors and the approval of the Members is sought for the same by an Ordinary Resolution.

The Board commends the Ordinary Resolution set out at Item no.6 of the notice for approval by Members.

STATE OF AFFAIRS OF THE COMPANY AND FUTURE OUTLOOK :

Your Directors are very happy to report on the performance of the Company in FY 2021-22, which is quite impressive. In spite of COVID-19 prevalent in the first quarter of the year, the Company did well, compared with its previous year. It could procure raw materials (cotton seed) from various other sources and processed nearly 54,949 MT as against 40,707 MT in the previous year. This helped the Company to use its production capacities to a major extent.

Though yields of oil and other products are low, with calibrate approach, it could sell its products with better margin. The Company achieved a sales turnover of Rs.21,193.40 lakhs as against Rs.11,835.00 lakhs in previous year, which is nearly 79% more and similarly operations gross profit improved to 972.81 lakhs before taxes as against Rs.789.91 lakhs.

The Power projects in Tamil Nadu and Gujarat did not do well due to changed Wind Patterns and could generate Rs.66.15 lakhs as against Rs.60.62 lakhs in previous year.

FUTURE OUTLOOK

The Company is planning to extend its areas of raw material procurement to Telangana and Tamil Nadu in the forthcoming season. The Company targeted to utilize its production capacities to maximum extent. Because of war between Russia and Ukraine (which are the major suppliers of sunflower oils), oil imports by India got severely affected, and led to huge increase in domestic oil prices. Palm Oil imports, which are major in volumes were also slowed down due to restrictions imposed by the producing countries to contain inflations. These trends impacted Indian oil prices and also pushed up oil seed prices as well. Government of India concerned with high domestic oil prices, is taking various measures such as reducing import duty and encouraging growers of oil seeds and related crops etc. Since these measures are in adequate, the prices of edible oils unlikely to come down in the near future.

However, your Directors are hopeful of improving the performance by using its existing processing capacities of the Company and target to achieve better results in coming years.

EXPORT AND FOREIGN EXCHANGE EARNINGS :

Your Directors wish to inform that the Company has exported 1773.830 M.T. of Cotton Linters worth ₹ 610.90 lakhs during the year under review as against 4098.290 M.T. of Cotton Linters and ₹ 18.130 M.T. of Cotton seed Hulls worth ₹ 538.18 lakhs in the previous year.

ANNEXURE V TO THE DIRECTORS' REPORT**MANAGEMENT DISCUSSION AND ANALYSIS :**

1. This section shall include discussion on the following matters within the limits set by the listed entity's competitive position:

(a) INDUSTRY STRUCTURE AND DEVELOPMENTS :

India is the world's second largest consumer and number one importer of vegetable oil. As urbanisation increases in developing countries, dietary habits and traditional meal patterns are expected to shift towards processed foods that have a high content of vegetable oil. Vegetable oil consumption in India is, therefore, expected to remain high due to high population growth and consequent urbanisation. As per the OECD-FAO Agricultural Outlook 2021-2030, India is projected to maintain a high per capita vegetable oil consumption growth of 2.6 per cent per annum reaching 14 kg per capita by 2030 necessitating a high import growth of 3.4 per cent per annum.

India's edible oil market reached a volume of 23.9 Million Tons in 2021. Looking forward, IMARC Group expects the market to reach 26.3 Million Tons by 2027, exhibiting a CAGR of 1.59% during 2022-2027.

India currently represents the world's largest importer of edible oil in the world. Increasing disposable incomes, rising urbanization rates, changing dietary habits and the growth of the food processing sector represent some of the key factors driving the demand of edible oil in India.

High imports at a continued depreciating rupee will affect the landed prices of other edible oils as well, which is likely to result in an overall double digit growth in prices over January 2022, in the near term

Palm oil forms a major share of the edible oil consumed by Indians, with second most consumed oil being Soyabean Oil. Together both sum up to 65 % to 75 % of our consumption.

Based on the application, India's edible oil market has been divided into HoReCa, home users, and food processing industry. Currently, home users represent the largest market share.

(b) OPPORTUNITIES AND THREATS :

The rising consumer health consciousness, along with the changing inclination towards organic and low-cholesterol edible oils, is currently driving the India edible oil market. The sudden outbreak of the COVID-19 pandemic has led to the changing consumer inclination from conventional brick-and-mortar distribution channels towards online retail platforms for the purchase of edible oil.

India is one of the major oilseeds growing country. The oilseed production in India has steadily increased since 2016-17 onward after showing a fluctuating trend prior to that. The oilseed production in India has grown by almost 43 per cent from 2015-16 to 2020-21. The oil production in India has however lagged behind its consumption necessitating import of edible oils

We can see over last 25 years, how the land area under oilseed production has not grown meaningfully. So, whatever increase in our oilseed production has occurred in India is mainly because of our improvement in the crop yields (kg/ha or tons/ha). However, our yields are still nowhere close to the world average yields, leave aside the world best yields.

As informed above, demand for edible oils is steadily going up due to increased health concerns, improvement in standard of living, low growth in the area of oil seeds cultivation etc. The prices of edible oils increased substantially since recent past due to Russia-Ukraine war, export restrictions in some of growing countries, currency fluctuations, and also adverse impact of COVID-19 Pandemic. It is expected the prices will continue to grow or at least maintain at the same existing high levels as there is little chance of the related problems easing out. The Government of India is trying their best to bring down the edible oil prices by sourcing alternatives markets, duty manipulations, encouraging growers of oil seeds etc. However, these measures do not have major bearing on bringing down the prices in near future.

REGARDING AVAILABILITY OF COTTON SEED IN ENOUGH QUALITY TO THE COMPANY

It is a big challenge to the Company as to the availability of Cotton Seed in enough quantity at a lower price, unless Cotton growing area is improved. Hence these prices of raw materials have also relative impact basing on edible oil prices in Indian market as well.

(c) SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE :

Presently the company has dealing in segments of seed processing and Wind turbine generators.

Seed Processing : The overall performance of the company is better in spite of low yielding Cotton Seed (main raw material) and onslaught of COVID-19. Because of heavy rains in cotton growing areas and delayed procurement, the company could start production from 25th October, 2021, and recoveries from processed seed of 54,949 MT (40,707 MT in the previous year), were low compared to the last year. Only respite for the company was it could get best average sale prices for all the products.

Because of high prices of Cotton Seed and low yields, a discriminatory approach was adopted by the company in procurement calibrating sale prices and production costs. This approach made the company to sell almost all processed products during the year itself, and leaving a little inventory for unseasonal months. The company achieved a turnover of Rs. 21193.40 lakhs as against Rs. 11,835.00 lakhs in the previous year. The gross profit before taxes was Rs. 972.81 lakhs as against Rs. 789.91 lakhs and due to adjustment of differed tax liabilities net profit for the period under review is Rs. 681.53 lakhs against Rs. 729.51 lakhs during the last year.

Available raw material (cotton seed) prices do not have parity and may result in losses. Hence the company stopped the processing in the factory in March 2022 itself, with a plan to resume whenever the situation gets improved.

Wind Turbine Generators : The power projects in Tamil Nadu and Gujarat did better and earned Rs. 66.15 lakhs compared to Rs. 60.62 lakhs during the previous year.

OUTLOOK :

In India, the rising consumer health concerns towards the high prevalence of coronary heart diseases, diabetes, obesity, gastrointestinal disorders, etc., are primarily driving the demand for healthy edible oil. Additionally, the market is further catalyzed by the growing awareness towards several health benefits of organic and low-cholesterol edible oil. As a result, various regional manufacturers are launching healthy product variants enriched with omega-3, vitamins, and natural antioxidants. Moreover, the changing consumer dietary patterns and their hectic work schedules have led to the increasing consumption of processed food items. The rising demand for edible oil in the food

processing sector as food preservatives and flavoring agents is also catalyzing the market growth in the country. Additionally, the elevating consumer living standards coupled with the increasing penetration of international culinary trends are further augmenting the demand for high-quality product variants, such as olive oil, sesame oil, flaxseed oil, etc. Apart from this, the expanding agriculture sector along with the launch of several initiatives for enhancing the production of oilseeds in the country is also propelling the market. Furthermore, the Indian government is making continuous efforts to increase the domestic availability of edible oil and reduce import dependency. For instance, the government has proposed the National Mission on Edible Oil (NMEO) for meeting the country's consumption need for edible oil, such as sesame oil, groundnut oil, safflower oil, palm oil, etc.

(d) RISKS AND CONCERNS :

Owing to high import dependence, the edible oil prices in India are directly correlated to international oil price movements and currency movements that make profitability vulnerable to unexpected fluctuations. The domestic edible oil prices are directly linked to the prices of imported palm and soybean oil due to heavy reliance on imports and their substitutability with other oil varieties. While mustard oil is almost entirely produced within the country, soya bean oil is imported in significant quantities, Palm oil is almost entirely imported in crude form (for refining in port-based refineries) as well as in refined form.

Your Company continues to place a strong emphasis on the risk management and has successfully introduced and adopted various measures for hedging the price fluctuations in order to minimize its impact on profitability. Also, your Company has initiated setting-up of a framework to upgrade itself to a robust risk management system. The key determinants of business risk profile of the company are their ability to overcome the regulatory risk and agro-climatic conditions. Other operational factors include operating efficiency, product diversity, market position, and ability to secure raw material as well as the commodity price and forex-risk management systems.

Thus, your Directors are optimistic in utilizing the production capacities and to overcome the post COVID-19 pandemic, to ensure better working results in the ensuing years.

(e) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY :

The Company has well-established processes and defined the roles and responsibilities for people at various levels. The control mechanism also involves well documented policies, authorization guidelines commensurate with the level of responsibility specific to the respective businesses. Adherence to these processes is ensured through frequent internal audits. The internal audits conducted are reviewed by the Audit Committee and requisite guidelines and procedures augment the internal controls. The internal control system is designed to ensure that financial and other records are reliable for preparing financial statements and other information which ensures that all transactions are properly reported and classified in the financial records.

(f) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE :

Cotton Seed is being processed on scientific basis and producing Edible Oil, De-oiled cake, Hulls and Linters. The Operational revenue of the company for the period under review increased to ₹21193 Lakhs as compared to ₹11835 Lakhs registering a growth rate of 79% on an annualized basis. The Operational profit before Tax for the financial year under report is Rs. 972.82 Lakhs as against Rs. 789.91 Lakhs in the previous year.

(g) CAUTIONARY STATEMENT :

Statements in the Boards' Report and Management Discussion and Analysis describing the Companies objectives, projections, estimates, expectations may be "forward looking statements" within the meaning of applicable security laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make difference to the company's operations include, among others, economic conditions effecting demand / supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

2. DISCLOSURE OF ACCOUNTING TREATMENT :

Where in the preparation of financial statements, during the year there was no different treatment from that prescribed in an Accounting Standard has been followed, the fact shall be disclosed in the financial statements.

OTHER KEY FINANCIAL INDICATORS :

Ratios	2021-22	2020-21	Change	% Change
Debtors Turnover *	24.34	21.96	2.38	10.82%
Inventory Turnover *	12.73	9.84	2.89	29.42 %

Return on Net Worth ^*	0.27	0.39	-0.12	- 31.14%

Notes: *Increase in Debtors and Inventory turnover were primarily on account of quick liquidation of stocks during the year in proportion to the turnover of the company in FY 2021-22. **The increase in Interest coverage ratio is due to under utilisation of bank limits because of quick liquidation of stocks during the year. ^ Current Ratio is decreased due to increase in bank borrowings and other dues payable as on the financial year ending date because the company was mostly operating in full production capacity in March month of 2022. ^^As the prices of raw materials have marginally gone up during the year and hence the operating profit margin % was lesser. ^*Change in Net profit margin and Return on Net worth are lesser because of the income tax adjustments made against the profits earned in the year.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Coromandel Agro Products and Oils Limited**

Report on Audit of the Standalone Financial Statements

1. Opinion

We have audited the accompanying standalone financial statements of Coromandel Agro-Products and Oils Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its net profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significant in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have to identify the matters depending on the facts and circumstances of the entity. Based on the audit performed there are no key audit matters to communicate as there are no significant audit judgements relating to areas in the Standalone Financial Statements that involved significant management judgement including accounting estimates that have been identified as having high estimation and uncertainty.

4. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, on the other information obtained prior to the date of this auditor's report we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

6. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to

influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report

unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, remuneration paid/payable by the Company to its directors is in accordance with the provisions of the Act.

With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. the company has disclosed the impact of pending litigations on its financial position in the standalone financial statements- Refer Note No.2.30 to the standalone financial statements.
- ii. The Company has no longterm contract including derivative contracts requiring disclosure of material foreseeable losses.
- iii. There are no amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. a. The management has represented that to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including

foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (iv) (b) contain any material misstatement.

v. As stated in note no 2.10 and 2.16 to the standalone financial statements

- a. The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable
 - b. The Company has not declared any interim dividend during the year
 - c. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
2. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditors’ Report of even date to the members of Coromandel Agro-Products and Oils Limited on the standalone financial statements for the year ended 31st March, 2022

Independent Auditors’ Report on the Internal Financial Controls Under Clause (i) of Sub-Section 3 of Section 143 of the Act :

In conjunction with our audit of the standalone financial statements of Coromandel Agro-Products and Oils Limited (the Company) for the year ended 31st March, 2022, we have audited the internal financial controls over financial reporting of the company as of that date.

Management's Responsibility For Internal Financial Controls:

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility:

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, and a guidance note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate, to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting include those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of Internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal Control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. (ICAI).

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS**NOTE [1] – SIGNIFICANT ACCOUNTING POLICIES****1 COMPANY INFORMATION**

Coromandel Agro Products and Oils Limited (CAPOL) is a Public Limited company incorporated and domiciled in India. CAPOL has its factory and Administrative Office at Jandrapet-523165, Chirala, Andhra Pradesh, India and registered office at Flat No. 12B, Skylark Apartments, Basheerbagh, Hyderabad-500 029, Telangana, India. CAPOL is manufacturer of extracting oil, de-oiled cake and other joint products from Cotton Seeds since 1976. The Shares of the Company are listed on BSE Limited.

These financial statements were authorized for issue in accordance with a resolution of the Board of Directors passed in its meeting held on 27th May, 2022.

2 BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

These Financial Statements have been prepared under the Historical cost basis in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“Act”) – to the extent modified, read with Companies (Indian Accounting Standards) Rules, 2015 and the other relevant provisions of the Act and Rules thereunder as well as the guidelines issued by the Securities and Exchange Board of India (SEBI).

The Company’s presentation and functional currency is Indian Rupees. All figures appearing in the financial statements are rounded to the nearest Indian Rupee except where otherwise indicated.

3 USE OF JUDGMENTS AND ESTIMATES

In the preparation of the Company’s financial statements the management had made judgements, estimates and assumptions that may affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities. In view of the uncertainty about these assumptions and estimates they may result in outcomes that require material adjustments to the carrying amount of assets or liabilities affected in future periods. The Company continuously evaluates these estimates and assumptions based on the most recently available information.

The following are the areas where estimates and judgments in applying accounting policies have been made which may have the most significant effect on the amounts recognized in the financial statements are as below:

- Estimates in the useful lives of Property, Plant & Equipment (PPE)
- Valuation of Inventories
- Provisions
- Evaluation of recoverability of Deferred Tax Assets
- Contingencies

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to the accounting estimate are recognised in the period in which the estimate is revised and in any future periods affected.

4 PROPERTY, PLANT AND EQUIPMENT

- (i) Property, Plant & Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Such cost includes purchase price, non-recoverable taxes, borrowing cost and other directly attributable cost, attributable to bring the asset to its working condition for its intended use.
- (ii) Gain and losses on disposal/de-recognize of an item of property, plant and equipment are measured as a difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is disposed/de-recognized.
- (iii) Depreciation on property, plant and equipment (except Land Development Cost) is provided on Straight Line Method, as per the life prescribed in Schedule II of the Companies Act, 2013. Depreciation on Land development cost incurred for leased land is provided on straight line method over the lease period of the land.
- (iv) The assets residual value, useful lives and methods of depreciation are reviewed at each financial year end, and adjustment if any, is made prospectively.

5 INVENTORIES

Inventories include raw materials, finished goods, stores and spares and loose tools. All the inventories are valued at lower of cost or net realizable value. Cost of inventories comprises of purchase price, non-recoverable taxes and appropriate portion of allocable overheads, wherever applicable, and cost is ascertained on weighted average basis.

6 FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions are recorded at rates of exchange prevailing on the date of transaction. The exchange difference between the rate prevailing on the date of transaction and on the date of settlement and also on translation of monetary items at the end of year is recognized as gain or loss in the Statement of Profit and Loss, as the case may be.

7 EMPLOYEE BENEFITS**Short Term Employee Benefits**

Company's contributions paid / payable during the year to ESIC are recognized as expense in the Statement of Profit and Loss.

Company contributes to the appropriate authorities its share of Members Provident Fund Account as per the Employees Provident Fund Act, 1952, is recognized as expense in the Statement of Profit and Loss.

Gratuity

Company has taken a Master Policy with the Life Insurance Corporation of India to cover its liability towards employees' gratuity. The premium amount paid to LIC is recognized as expense in the Statement of Profit and Loss.

Compensated Absences

The employees are entitled to accumulate leave subject to certain limits, for encashment on superannuation.

8 REVENUE RECOGNITION

Revenue from contracts with customers is recognized as and when the company satisfies the performance obligation by transferring control of promised goods or services to a customer, which usually coincides with title passing to the customer and the customer taking physical possession.

When the performance obligation is satisfied, the company recognizes as revenue the transaction price that is allocated to that performance obligation in the contract based on the standalone selling price of the goods and services promised. The transaction price is the amount of consideration to which the company is entitled.

Interest Income

Interest income is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the deposits and the interest rate settled with the Bank.

9 TAXES ON INCOME

Tax comprises of Current tax and Deferred Tax. Current tax is the expected tax payable on the taxable income or Book profit for the current year. The amount of current tax reflects the best estimate of the tax amount to be paid or received after considering the uncertainty, if any, related to income taxes.

Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

10 PROVISIONS AND CONTINGENCIES

Provision is made in the books of account where there is a present obligation as a result of past event that probably requires an outflow of resources and reasonable estimate can be made.

A disclosure for contingent liability is made when there is a possible obligation or present obligation that arises from past event and the outflow of resources embedding economic benefit is not probable.

A contingent liability or a provision at the balance sheet date is not disclosed or recognised unless the possibility of any outflow of resources in settlement is remote

Contingent Assets are neither recognised nor disclosed in the financial statements.

11 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity. Financial instruments are recognized as financial assets and financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Initially a financial instrument is recognized at its fair value. Transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit or loss are immediately recognized in the Statement of Profit and loss. Subsequently, financial instruments are measured according to the category in which they are classified.

Financial Assets

Financial assets other than equity instruments are classified into financial assets at fair value through profit or loss and at amortised cost using effective interest rate method.

The company subsequently measures the trade receivable at their transaction price, if they do not contain a significant financing component.

The company de-recognises a financial asset only when the contractual rights to the cash flows from the financial asset expires or it transfers the financial assets and transfer qualifies for de-recognition under Ind AS 109.

Financial Liabilities

Financial liabilities are classified into financial liabilities at fair value through profit or loss and at amortised cost using effective interest rate method.

For trade and other payables maturing within one year from the balance sheet date, carrying amount is considered as fair value, as it approximates fair value due to the short term maturity of these liabilities.

A financial liability is de-recognised when the obligation is discharged, cancelled or expires.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amounts are presented in the financial statements, if there is a currently legal enforceable right to offset the recognized amount and the company intends to settle or realize on net basis.

12 IMPAIRMENT OF ASSETS

At each balance sheet date, the company assesses whether there is any indication that any asset may be impaired. If any indication exists, the recoverable amount of such assets is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of Cash Generating Unit to which the asset belongs.

Recoverable amount is the higher of fair value less cost to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset or cash generating unit is estimated to be less than its carrying amount, the carrying amount of the asset or cash generating unit is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

13 LEASES

At the inception of lease, the lease arrangement is classified as either as finance lease or an operating lease, based on the substance of the lease arrangement. Assets taken on operating lease, lease payments made are recognized in the Statement of Profit and Loss on straight-line basis over the term of lease.

14 FAIR VALUE MEASUREMENT

Fair value is the price that is received / paid to buy / sell an asset or to transfer a liability, as the case may be, in an orderly transaction between market participants at the measurement date in the principal market or in its absence most advantageous market or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability also reflects its nonperformance risk.

While measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs)

15 Accounting policies not specifically referred above are consistent with generally accepted Accounting practices.

Financial Risk Management Framework

Company's activities expose it to financial risks viz credit risk and liquidity risk.

Credit Risk

Based on the overall credit worthiness of Receivables, coupled with their past track record, Company expects No / Minimum risk with regards to its outstanding receivables. Also, there is a mechanism in place to periodically track the outstanding amount and assess the same with regards to its realisation. Company expects all the debtors to be realised in full, and accordingly, no provision has been made in the books of accounts for doubtful receivables.

Liquidity risk**(i) Liquidity Risk management**

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring and forecasting actual cash flow and by matching the maturity profiles of financial assets and liabilities.

(ii) Maturities of Financial Liabilities

The following tables contains details of the Company's remaining contractual maturities for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the earliest date on which the Company can be required to pay. Financial Liabilities include Trade Payables, Capital Purchases, Unpaid / Unclaimed Dividends etc., which are in the normal course of business having maturity plan of less than one year and non interest bearing.

2.52 Ratios

Particulars	As at 31st March 2022	As at 31st March 2021	Variance
(a) Current ratio	2.29	2.71	(0.15)
(b) Debt Equity ratio	0.28	0.26	0.08
(c) Debt Service Coverage Ratio	1.35	1.53	(0.12)
(d) Return of Equity Ratio	0.27	0.39	(0.31)
(e) Inventory turnover ratio,	12.73	9.84	0.29
(f) Trade Receivables turnover ratio,	24.34	21.96	0.11
(g) Trade payables turnover ratio,	60.36	83.44	(0.28)
(h) Net capital turnover ratio,	13.67	13.24	0.03
(i) Net profit ratio,	3.22%	6.16%	(0.48)
(j) Return on Capital employed,	0.36	0.44	(0.18)
(k) Return on investment.**	0.00	0.00	0.00

Return of Equity Ratio was lesser because of the income tax adjustments made against the profits earned in the year.

Inventory Turnover Ratio was primarily on account of quick liquidation of stocks during the year in proportion to the turnover of the company in FY 2021-22.

Trade payables turnover ratio was lower due to processing of higher quality and resultant higher production during the year as against the previous year. Further, the production during the year was even through out the year relative to the previous year.

** The company has only invested in post office savings certificate for Rs.850 only and not invested in any of these assets classes viz., Equity, fixed income generating instruments etc., As the investment size is insignificant the ratio is not calculated

2.53 The company does not have any income which is not recorded in the books of accounts that has been surrendered or disclosed as income in any of the tax assessments under the Income Tax Act, 1961

2.54 As per the provisions of section 135 of the Companies Act, the company is required to incur an amount of Rs.5.86 lakhs towards Corporate Social Responsibility expenditure. However, the unspent amount to the extent of Rs.5.86 lakhs was transferred to PM CARE on 26-05-2022.

2.55 Previous year figures have been regrouped wherever necessary.

SHAREHOLDER INSTRUCTIONS FOR E-VOTING

E-Voting instructions

Pursuant to the Provisions of Section 108 of the Companies Act, 2013 and Rule 20 of Companies (Management and Administration) Rules, 2014, the Company is pleased to offer e-voting facility to the members to cast their votes electronically on all resolutions set forth in the Notice convening the 46th Annual General Meeting to be held on Monday, 19th September, 2022, at 10.30 AM. The Company has engaged the services of Central Depository Services Limited (CDSL) to provide the E-Voting facility.

The instructions for shareholders voting electronically are as under :

The E-Voting Sequence Number and period of E-Voting are set out below :

EVS(N(E-VOTING SEQUENCE NUMBER) : 220802005

COMMENCEMENT OF E-VOTING : Friday, 16th September, 2022 at 09.00 A.M IST

END OF E-VOTING : Sunday, 18th September, 2022 at 05.00 P.M IST

STEPS & INSTRUCTIONS FOR E-VOTING :

The instructions for shareholders voting electronically are as under :

- (i) The voting period begins on **Friday, 16th September, 2022 at 09.00 A.M** and ends on **Sunday, 18th September, 2022 at 05.00 P.M**. During this period, shareholders' of the Company, holding shares either in physical form or in dematerialized form as on the cut-off date (record date) of **12th September, 2022**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) The shareholders should log on to the e-voting website www.evotingindia.com.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants.
